The Kuala Lumpur International Batik Convention & Exhibition (KLIB) is organized as part of the Malaysia Batik – Crafted for the World movement that aims to revitalize the Malaysian batik industry and to encourage innovation in design, creating markets for the consumption of batik products. Themed “The Business of Batik”, the exhibition provides a platform for the batik industry and related industries from all over the world to showcase the latest batik products, services, technology and to advocate business and trade activities. KLIB also features internationally acclaimed speakers at the convention.

Expomal is the exhibition secretariat for KLIB.
